

INCENTIVE CHART

Give each member a copy of this chart. Ask each of them to decide on a goal for February—something on which they can make measurable progress every day. They should write this goal on the lines at the top of the calendar.

Here are some examples:

I have my ♥ set on drinking 8 glasses of water daily, walking 15 minutes every day, substituting fruit for candy at snacktime, or doing three stretching exercises daily for February.

Whenever the goal is met for that day, the member may color in the corresponding heart. At the end of the month, have members bring their calendars back to the chapter and discuss how they did.

I have my heart set on _____

for February.
