“YOU’VE GOT MAIL”

87% of TOPS Leaders now have email and almost all chapters have a Web Designate who can also access information from our TOPS website and receive email updates from TOPS and our Field Staff. Be sure to check your email regularly... it may be saying “You’ve Got Mail!”

ELECTION EXCEPTION

The two-consecutive-years term limit applies to Leaders only and went into effect as of election held in July 2015. If the same person served as Leader in 2015 and 2016, a new Leader must be elected in July, 2017 unless your coordinator grants an exception for extenuation circumstances.

THANKS FOR YOUR HELP!

Our chapters are doing an outstanding job with sending new memberships and renewals directly to TOPS Headquarters with a chapter check made payable to TOPS Cub, Inc. As the third month of doing this comes to an end, we are proud to report that your timely efforts are resulting in new members receiving their information and TOPS News weeks earlier.
