Hello TOPS Leaders, Field Staff and Designates:

Just when we think "Spring has Sprung" it springs back to winter! But, the cold can't last much longer! With Spring comes so many wonderful, perky and fun things to do. On the top of the list we have some great TOPS retreats.

We have been asked by Retreat Director Deanna Bies to remind everyone about the great retreat planned for June 1 - 6 at China Lake, Maine. I have attached a flyer with all the important information about the retreat. We sure would love to see many of you there.

Please share this information with your fellow TOPS members. If you have any questions, do not hesitate to let your coordinator, area captain or me know.

Thanks for helping us spread the word about our great retreats.

Yours in TOPS Fellowship,

Judy Pettit
